- **Player Profiles:** This is where players can put their free player profile on the site and include their video link. Just go to the Player Profile page and enter the profile information.
- **Getting To Know:** This is where coaches can have your key players send me an email about themselves and include their video link. I will put all their pertinent info together and upload it to the site.
- **Stats:** Once the season begins you can send me all your player stats and I will put them up on the website if you have another place that you will be putting your stats just tell me where and I will go get them.
- Stats for Nassau /Suffolk Counties and CHSFL start going up by 10/01/15.
- If you have anything going on in your school such as fund raising for your team shoot me an email and I will put it on the website for you.
- Please keep me updated as your players commit to play a college sport and for what sport.

This is a free site for your school and your players

Please take advantage of it
