Question Marks: Ranked 12th in the Suffolk County Pre-Season Division I. The Marauders come off a disappointing 2017 season as they were the pre-season favorites in Division II and now they move up to Division I however they have some very good athletes and a new coach.

Recruiting: Seniors Bunice Knight, Jalen Thompson, Terrance Day, Nolan Epps, Solomon Dawkins and Josh Parris all have the ability to play somewhere in college.

Coach's Comments: The Marauders have a brand new coach in Mike Brown and expects his team to bring excitement to every game. We are fast and have a lot of depth at the skill positions. Coach Mike Brown starting his 1st season
