Question Marks: Ranked 2nd in the Nassau County Pre-Season Conference II. The Sea Hawks had a lot of injuries last year but still managed to get to the semi-finals before losing so they are hoping for fewer injuries in 2018 with a senior laden team that will challenge Garden City for the Conference Championship.

Recruiting: Senior Vincenzo Millone is a DIAA prospect while the other seniors will play somewhere in college if not football than another sport. Sophomore Anthony Denicola has DI potential.

Coach's Comments: We return a very hungry motivated senior class. We believe this group to be very competitive, especially on the defensive side of the ball – led by the DL with Blanc, Milione and Mejia. If we're healthy we should be able to compete each and every week.
