Question Marks: Ranked 6th in the Nassau County Pre-Season Conference IV. Last year was the Frogs best season since 1999 and they do return some very good players but this is a wide open conference so it's hard to project at this time.

Recruiting: Seniors Tziah Albert, John DeRidder, Luke Caliendo, Matt Baltzer and Corey Iglesias have the ability to play somewhere in college.

Coach's Comments: The majority of the skill player's return however only one lineman returns so we have to rebuild it but our goal is to stay healthy and make the playoffs for the 4th straight year. Coach Tim Moran now in his 12th season
