Question Marks: Ranked 3rd in the Nassau County Pre-Season Conference I. The Dalers always compete as they never rebuild they just reload however it's my opinion they will come up short this year in Conference I.

Recruiting: Senior Tyler Nemecek is a DIIA prospect while the other seniors will depend on their performances this season.

Coach's Comments: The Dalers will be in the thick of it this year and don't expect to change anything there goal is to win a LIC. They have great team speed and have good size. Coach Buddy Krumenacker now in his 25th season
