Question Marks: Ranked 1st in the Nassau County Pre-Season Conference I. The Red Devils are explosive on offense and have a very good defense so the only way they get derailed is by beating themselves.

Recruiting: Senior Justin Lesdouflair is a DIIA prospect while seniors Gerard Smikle and Jordan Jackson are good enough to play somewhere. Juniors Arnold Cruz and Terrance Edmond have the ability to play at the next level

Coach's Comments: The Red Devils should be playing for an LIC Title this year. They have experience at all the Skill positions. Coach Russ Cellan now in his 33rd season
