Recruiting: Too early to tell at this time

Coach's Comments: On offense we will have multiple formations with a wide range of fast and slow tempo. On defense we will be the hardest hitting team we can be. We are going to be young up front; however we have the strength and versatility in our offense to put up points this year. Our goals remain the same, to win the 1st game, make the playoffs and to continue to make the program better. Coach Rocco Colucci now in his 3rd season
