Question Marks: Ranked 9th in the Nassau County Pre-Season Conference II. The good news Herricks/Roslyn have merged this year the bad news the conference is stronger.

Recruiting: Senior William McCreery has the potential to play at the next level.

Coach's Comments: Looking to have a more up tempo offense. We have more depth with us merging with Roslyn hopefully this will help us end our 20+ year's playoff drought. Mike Cho now in his 10th season
