Question Marks: Ranked 5th in the Nassau County Pre-Season Conference II. The Generals return only 2 players who played the entire season so we are going to be very inexperienced.

Recruiting: Juniors Tom Kelleher, Sean Tierney and Dan Calderon all have potential to play at the next level

Coach's Comments: We will only have 10 seniors returning from last years' team and the only reason they played was due to injuries to our starters. Coach Bobby Fehrenbach now in his 20th season
