Question Marks: Ranked 2nd in the Nassau County Pre-Season Conference I. The Chiefs always have talent however every team in Conference I have talent but do they have enough win it all this year.

Recruiting: Senior Garrett Gibbons will play Lacrosse in college while seniors Kenny Galvin and Marco Musso could play DIAA Football. Seniors Angelo Petrakis, Dan Callan and Dennis Auz should play in college just not sure the level at this time.

Coach's Comments: Team as always will rely on senior leadership throughout the year and will look to win its 1st County Championship since 1998. Coach Kevin Shippas now in his 8th season
