Question Marks: Ranked 1st in the Suffolk County Pre-Season Division I. In my opinion they are the best team in the public schools on LI and the only thing that can stop them is themselves.

Recruiting: Senior Keith Winfrey is a DI recruit, while seniors Mack Driver, Nick Silva, Gary Anderson and Jordan Clinton have DIAA/DII talent.

Coach's Comments: WE have skill players return that have played for 3 or 4 years respectively. While our offensive line is young are defensive line is one of the best on LI. Coach Paul Longo now in his 24th season
