

2022 Suffolk County Football Showcase

Dear Coach,

The Suffolk County High School Football Coaches Association will be running our 10 th Annual Football Skills Showcase. Suffolk County football is one of the strongest in this region with 50 high schools in a densely populated area making it a great place to recruit excellent student athletes. Our association will be holding the Suffolk County Football Showcase on Saturday May 21st, 2022 at the Suffolk County PAL Complex in Holtsville, NY from 9:00 AM – 12:00 PM. At last year's event we had over 300 players from this region.

This will be an excellent opportunity for you as a coach to evaluate Suffolk County football talent, while our student athletes are going through football specific drills. We are expecting a large turn out from the rising classes of 2022, 2023, 2024 and 2025. As you know, proper evaluation of student athletes is critical for success at both the high school and college level, with that being said our showcase will allow you to properly work with and evaluate our best Suffolk County football players.

Respectfully,

Steve Fasciani
SCFCA President

Respectfully,

Greg Lauri
OC/Assist. HC, Sachem North HS
