Question Marks: Seeded 5<sup>th</sup> in Suffolk County Division II they have a lot of weapons on both sides of the ball however they are in my opinion in the strongest division in Suffolk County.

Recruiting: Seniors Carter Vandekieft and Connor Coleman have the skills to play at the next level. Juniors Ka'Shawn Parrish and Jhamari Bell have DI FCS potential while David Hartmann and Bobby DeSantis have college potential.

Coach's Comments: The goal is to win a LI Championship. This year's team young, athletic and fast however that will not keep us from our goal... Coach Jamie Fabian now in his 2<sup>nd</sup> season
