Question Marks: Seeded 9th in Nassau County Conference IV their JV finished with a 7-1 record and many of those players are now juniors on the Varsity so how fast they develop will determine our season

Recruiting: Not available at this time

Coach's Comments: We are going to be very young with many juniors who will be competing for significant playing time. Our goals are to get through the season healthy. We have made the playoffs 4 out of the last 5 years (counting last year in which we missed) so getting back is a priority. Coach Tim Moran now in his 14th season
