Question Marks: Seeded 4<sup>th</sup> in Suffolk County Division II they play in my opinion the toughest leagues on LI. There isn't an easy game on their schedule so they must bring their A game every week.

Recruiting: Senior Matt Robbert is a DI recruit while seniors Josh Ackerler, Liam Webber, Zach Hogan, Eric Harrington and Pat Stoss can play DII or DIII

Coach's Comments: We have a revamped offense look – strengths include several returning defensive starters – goals are to remain competitive in the playoff picture
