Question Marks: Seeded 3rd in the CHSFL AAA Division not only do they have to replace of graduating players they had to replace their legendary coach Rick Reichert who retired after a brilliant coaching career. The coaching reins now fall to one of his former players Joe Minucci who I believe will keep the winning tradition going.

Recruiting: Senior Jaden Jernigan has committed to Harvard for Lacrosse while fellow seniors Greg Randall, Christian Taylor, Nick Alvarado, Gavin Miller and Mario Escobar can player either DI/DII another senior Robert McGee a first time starter has committed to Penn State for Lacrosse while senior Justin Houston who is returning from an ACL injury could be a DI recruit with a good year

Coach's Comments: We will rely on an experienced offensive line to have a dominant running game. Our offensive skill players are the strength of this team. Goal is to win the CHSFL AAA League and see our young players grow and mature each week. Coach Joe Minucci 1st season
